

Suggested Performance Introduction Sheet:

We welcome members and guests to this special performance **THE MAN FROM ALDERSGATE** with BJ Johnston. BJ lives in Mississippi along with his wife and son. Another son lives in California where he performs in a band.

In recent months BJ has travelled across the United States performing in Indiana, Illinois, Washington and Oregon, Michigan, California and Canada.

For that reason, perhaps you would like to share his ministry with friends and family all over North America. His contact information is available on the bulletin you have been given.

Also, you might want him to share at your church or function. Again, kindly contact him using the information provided or speak with him after the service and ask for his card.

NOW for our service:

John Wesley, born in 1703, probably did more for England than any other figure in British history. He is credited with saving England from the bloody revolution experienced in France.

His untiring zeal for God brought about prison reform, child labor laws, orphanages, medical care facilities and even shelters for battered women.

Wesley's methodical ways of Christian discipline gave rise to the term, 'Methodist'.

He is not only the founder of the Methodist Church but a true champion of Christianity everywhere.

THE MAN FROM ALDERSGATE with BJ Johnston has been adapted directly from the journals of John Wesley by playwright Brad L. Smith.

It is now our pleasure to present BJ Johnston in **THE MAN FROM ALDERSGATE**.

AT END

Again, please feel free to speak with BJ about how he might serve you or any friends you think would like to know more about his ministry. Remember,

DO ALL THE GOOD YOU CAN,
BY ALL THE MEANS YOU CAN,
IN ALL THE WAYS YOU CAN,
AT ALL THE TIMES YOU CAN,
IN ALL THE PLACES YOU CAN,
TO ALL THE PEOPLE YOU CAN,
AS LONG AS YOU EVER CAN!
